Hidden layer cards · Only if you play with the hidden layer. With the app you do not need them: each player sees theirs on screen. On paper, shuffle the ideologies and the powers separately and deal one of each to every player, face down; put the rest back in the box unseen. Tarot size (70 × 120 mm), printed at actual size (100%) and on card, so they do not show through.

+5 points at the end if you achieve it

Hidden layer cards · Only if you play with the hidden layer. With the app you do not need them: each player sees theirs on screen. On paper, shuffle the ideologies and the powers separately and deal one of each to every player, face down; put the rest back in the box unseen. Tarot size (70 × 120 mm), printed at actual size (100%) and on card, so they do not show through.

SECRET IDEOLOGY

Agitator

YOUR GOAL

End with Tension at 8 or above, without reaching a Failed State.

+5 points at the end if you achieve it

Hidden layer cards · Only if you play with the hidden layer. With the app you do not need them: each player sees theirs on screen. On paper, shuffle the ideologies and the powers separately and deal one of each to every player, face down; put the rest back in the box unseen. Tarot size (70 × 120 mm), printed at actual size (100%) and on card, so they do not show through.

SECRET POWER · ONCE ONLY

Lobby

On your budget ballot: your vote counts three times.

When it is played, say which power it is, never who has it.

SECRET POWER · ONCE ONLY

Mobilisation

On your tax ballot: your vote counts twice.

When it is played, say which power it is, never who has it.

SECRET POWER · ONCE ONLY

Agenda control

Before the tax vote (with the event or during the debate): you remove one option from that round's ballot.

When it is played, say which power it is, never who has it.

SECRET POWER · ONCE ONLY

Veto

When the winning tax is announced: there is a new vote, only between the winner and the runner-up.

When it is played, say which power it is, never who has it.

Hidden layer cards · Only if you play with the hidden layer. With the app you do not need them: each player sees theirs on screen. On paper, shuffle the ideologies and the powers separately and deal one of each to every player, face down; put the rest back in the box unseen. Tarot size (70 × 120 mm), printed at actual size (100%) and on card, so they do not show through.

SECRET POWER · ONCE ONLY

Casting vote

On your ballot: that round, if there is a tie and your vote is among the tied options, you win the tie-break.

When it is played, say which power it is, never who has it.

SECRET POWER · ONCE ONLY

Budget committee

When the budget order is known, before the money is shared out: you swap the 2nd and 3rd services.

When it is played, say which power it is, never who has it.

SECRET POWER · ONCE ONLY

Amendment

On your budget ballot: your vote also counts for a second service.

When it is played, say which power it is, never who has it.

SECRET POWER · ONCE ONLY

Insider information

On your tax ballot: you wait for the others to vote and vote last, seeing how the count is going.

When it is played, say which power it is, never who has it.
