Two per sheet: cut along the line. One for each player, if you play with the hidden layer and suspicions.

A State in Class

My suspicions

My name: _____

Which ideology do you think each player has? Note it down during the game, in secret. At the end, **+1 point for each correct guess.**

Player	I think they are...

The nine ideologies

1. Neoliberal
2. Social democrat
3. Radical libertarian
4. Populist
5. Statist
6. Conservative
7. Trade unionist
8. Technocrat
9. Agitator

There is always at least one left over: not all of them are in play.

With the app, they are entered on the phone or the table's device at the end.
